OFFICE OF PETITIONS

In re Application of
Monte D. Mohr
Application No.: 10/751,073
Filed: January 5, 2004
Attorney Docket No: MOHR001

:
:
: ON PETITION
:
:

This is in response to the renewed petition under 37 CFR 1.137(b) filed May 3, 2007.

The renewed petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition" under 37 CFR 1.137(b)."

This application became abandoned for failure to respond in a timely manner to the final Office action mailed October 17, 2005, July 13, 2005. The notice set a shortened statutory period for reply of three-months from its mailing date. Extensions of time were available pursuant to 37 CFR 1.136(a). Responses were filed on January 3, 2006, and February 3, 2006. By Advisory Actions mailed January 18, 2006, April 26, 2006, applicant was advised that the responses did not place the application in condition for allowance. The application became abandoned on January 18, 2006. A Notice of Abandonment was mailed on July 17, 2006.

Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

- (1) the required reply, unless previously filed. In a non-provisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee, or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.
- (2) the petition fee as set forth in 37 CFR 1.17(m);
- (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

- (4) any terminal disclaimer (and fee set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c).

The instant petition does not satisfy the requirements of item (1) above.

Examiner Jason Prone has reviewed the amendment filed April 28, 2007, and determined that the amendment does not place the application in condition for allowance. The petition must, therefore, be dismissed. Either an amendment that places the application in condition for allowance, a Request for Continued Examination and the fee required, or a Notice of Appeal must accompany the renewed petition.

Further correspondence with respect to this matter should be addressed as follows:

By mail:

Mail Stop Petitions
